

"State of Extremes"

"**State of Extremes: Guide to the Wild Weather of South Dakota**" was published in 1995 (Pine Hill Press, ISBN 0-9648410-05-3). While no longer in print, it is available in many regional libraries. The book contains several timeless stories about the wide variety of weather experienced in the state.

Here are links to some excerpts:

- [Radical record temperature change](#)
- [Wind-driven balloon bombs hit South Dakota](#)
- [Shower power: Early weather modification](#)
- [Rapid City flood](#)
- [Real-life "Dorothy"](#)
